Bottle Jacks

HD-series

Products in this category are certified to the highest level of useful life (professional use and not occasional use) to ensure maximum value from your investment.

All are made of the best materials available and constructed in accordance with the latest and most advanced techniques.

Reaching new heights in professional shop equipment

In compliance with NEN-EN 1494:2001+A1:2008 

HD-series

Bottle Jacks

Winntec HD bottle jacks are used for multiple applications: pushing, bending, pressing or straightening.

The full range comes with cast iron bases, polished main rams and a solid, chromed, pump linkage. They are tested to the latest European standards, have overload protection and can be used in both horizontal and vertical positions.

Model	Cap.	Base plate Size (mm)	Min H. (mm)	Lifting H. (mm)	Adjust H. (mm)	Max H. (mm)	N.W. (kg)
