

## Product information sheet

### R-Clean RVS 17

Protecting oil for stainless steel

#### Product description

R-Clean RVS 17 produces a clean and gleaming appearance and protects stainless steel, dish washers, cooking pots, kettles, preparation equipment, cutting machines, armatures and many other metal surfaces. R-Clean RVS 17 is a non-viscous cleaning fluid. The spray bottle makes it extremely easy to apply and spread over the surface. The surface becomes clean and gleaming and at the same time it is protected so that dirt will stick less. R-Clean RVS 17 is colourless, odourless, acid-free, tasteless, and free of toxic or harmful constituents. It can come into contact with food without objections.

#### Instructions

Spray RVS 17 on the surface, spread it with a dry cloth or with paper to give a thin gleaming layer.

#### Safety

Information on safety, transport, handling and storage is listed in the safety data sheet.

#### Chemical- technical information

- Description: Liquid, colourless
- Density: 0,83 g/cm<sup>3</sup>

#### Packaging information

Pack Size: 6 x 500 ml  
Item Number: 500001285320
