

## Product information sheet

### R-Clean Window Cleaner

Glass and interior cleaner.

#### Product description

This product is used to remove dirt and grease patches, streaks or finger marks from smooth surfaces such as windows, mirrors, showcases, doors, tables, cupboards, desks, etc. It is also excellent in spray cleaning floors with a high speed machine. R-Clean Window Cleaner contains alcohol and detergents which remove the above soiling rapidly.

It is completely safe on surfaces, including painted surfaces. The product dries absolutely streak-free if a proper cloth or wiping paper has been used. This result is unsurpassable on glass surfaces. R-Clean Window Cleaner is not flammable.

#### Instructions

The product is supplied for example in handy spray bottles which can be refilled. This enables it to be easily sprayed on and then wiped off with a reasonable clean cloth or with wiping paper. Wash the cloth out if streaks are noticed after drying. Use one to three cups of R-Clean Window Cleaner to 10 litres of water for cleaning windows, depending of the degree of soiling.

#### Safety

Information on safety, transport, handling and storage is listed in the safety data sheet.

#### Chemical-technical information

- Description : blue liquid
- Odour: lemon
- pH-value: 11.4
- Density: 0,988 g/cm<sup>3</sup>

#### Packaging information

Pack size: box 6x500 ml – box 2x5 litre  
Item Number: 500001230405
